CAMP REACH FOR THE STARS

MAY 29-31, 2026
CAMP YEAGER, CAMBRIA

Our goal at Camp Reach for the Stars is to give kids coping with cancer the chance to be kids – an experience often taken away or put on hold by the disease. It allows the children to shed the hefty “cancer-patient” label. While at camp, the children can let loose and have fun participating in summer camp activities, surrounded by fellow campers and counselors who know firsthand what they are going through.
